The Officer's Daily Log

Meet Cruise Director Ron Goodman

Ron Goodman is truly honored to be your Cruise Director. With over 24 years of shipboard and luxury hospitality experience, Ron's number one goal is to ensure his guests have the time of their lives while on board by offering great entertainment, gracious hospitality and impeccable service. As soon as guests step on board, he wants them to realize that their experience "will be simply sensational."

Born and raised in Boynton Beach, Florida, Ron now divides his time between living on Long Island, New York, and South America in the beautiful country of Chile. For his hotel management studies, he was very fortunate to attend the famed hotel school, Ecole Hoteliere de Lausanne, which is located in Switzerland. From there, Ron was placed with Four Seasons Hotels and was able to continue his hospitality management training at many of their properties around the world.

His past entertainment career includes being a top 40 radio presenter in New York as well as appearing on a number of hit TV shows in the United States and in the United Kingdom.

Being selected as Cruise Director of Regal Princess is a great honor. Last year Ron also had the pleasure of launching our sister ship, Regal Princess. Ron and his wife Gail have a little boy, Alexander Massimo who just turned a year old in September.

By Cruise Director Ron Goodman

I like to think I've got one of the greatest jobs on board Regal Princess®. Fun is my personal responsibility. And helping you have more of it is what I do all day.

As we enjoy a rejuvenating day at sea, I urge you to take some time out on deck. Inhale the fresh ocean air and allow the calming waves to lull you into a peaceful state of relaxation.

When you're ready to dive into our onboard activities, you'll find a variety of enriching and entertaining options to suit your every mood. Ever want to be part of a live television studio audience? Visit the Princess Live! studio to participate, and watch daily broadcasts of The Wake Show in your stateroom or on screens located throughout the ship. Indulge in an exquisite spa treatment at the Lotus Spa®. Learn something new by participating in a wide range of popular enrichment courses. You can even gaze at the incredible works of art in our Art Gallery, and bid on them later at our onboard auctions!

I'd also like to call your attention to the activities that make our ship one of the most entertaining spots in the Caribbean. Throughout our voyage, the Piazza is alive with the excitement of music, street performers and other attractions. Cinema fans can thrill to Movies Under the Stars®. Be sure to stay and watch the poolside Princess® WaterColor Fantasy! If you love the stage, our production is appearing in the Princess Theater, and our Princess Pop Star competition can put you in the spotlight yourself. Be sure to check the Patter, tune into *The Wake Show* in the morning, or use your smartphone and our new free Princess@Sea mobile intranet to get the latest on all our planned activities.

From the Navigator

Early on Tuesday morning, Regal Princess crossed the Mayaguana Passage, passing Mayaguana Island 13 nautical miles on our starboard side as we continued to set southeasterly courses through the North Atlantic Basin. After that we crossed the Caicos Passage to the North of the Caicos Islands before passing 18 nautical miles North of Grand Turk. Throughout the remainder of the day, we continued to set southeasterly courses through the North Atlantic Ocean parallel to the coast of Hispanola, 70 nautical miles on our Starboard side as we proceeded towards the Virgin Islands.

Dress Code

Formal - When formal nights are held, please observe the dress code in the Traditional Dining and Anytime Dining venues for the enjoyment of all our passengers.

- Evening gown, cocktail dress, or elegant pant suit for women
- Tuxedo, dark suit or dinner jacket and slacks for men.

Public Health Reminder

To help maintain a healthy environment, please wash your hands frequently and thoroughly with soap for at least 20 seconds, and rinse them well. We strongly recommend that you follow this procedure each time you use the restroom, after coughing or sneezing and before eating, drinking or smoking. Avoid touching your mouth. We also encourage you to use your private toilet facilities and not the public toilet unless absolutely necessary.

Veteran's Day

Each November 11th, veterans in many countries around the world are honored for their courageous service in the military. Known as Armistice Day, Remembrance Day and most commonly as Veterans Day, this date commemorates the anniversary of the 1918 armistice signing that ultimately ended World War I. In some areas, people still enjoy a holiday dinner of ravioli, a tradition begun by former U.S. President Woodrow Wilson, who fed returning troops this popular dish in the White House on the very first Veterans Day celebration.

To all those onboard who have served in the military, we thank you for protecting our freedoms and salute you this Veterans Day.

Deck / Sun Loungers

As a courtesy to your fellow passengers please be advised that deck/sun loungers must not be reserved/saved and that towels and personal items will be removed by a Princess crewmember after a 30 minute period if the lounge has not been occupied.

Toilet System/Vacuum System:

Regal Princess, as all modern cruise ships, is equipped with an EVAC toilet system that uses the vacuum pump principle. The system is very reliable, but the pipe work is much smaller than those ashore and is sensitive to foreign objects and large amounts of toilet paper. In order to avoid blockages and subsequent inconvenience to passengers, please place any foreign objects in the waste bins and sanitary bags provided.
