The Officer's Daily Log

Meet Shorex Manager Tatiana Alcindo

Born in Sao Paulo, Brazil, Tatiana Alcindo joined Princess Cruises as a Junior Assistant Purser in 2007. Rising quickly through the ranks, Tatiana served as a Captain's Circle Host before progressing to her current position as Shore Excursion Manager.

Tatiana's favorite destination is the beautiful and rugged wilderness of Alaska. She also enjoys exploring India, where she often travels to visit friends. These locations have inspired Tatiana's interest in photography and her pictures remind her of the fascinating people and places she has seen.

By Shorex Manager Tatiana Alcindo

Arranging adventures on shore at our many ports of call means I've had lots of opportunity to learn about the things people find most fascinating during their visits. My office near Sabatin's is an excellent place to get advice on possible sightseeing destinations and activities—and of course to arrange any shore excursions that can still be booked at a port we're visiting, or those remaining on our cruise. Whether you're looking for a vigorous hiking adventure or a comfortable motorcoach tour, I am here to help.

Discover St. Thomas, an island full of fascinating places to see beyond its beautiful beaches. Colonial manor houses and 17th-century Blackbeard's Castle Tower let you step back into history. A skyride to the top of Paradise Point offers you a commanding view. And a visit to Charlotte Amalie, the capital of the U.S. Virgin Islands, gives you some of the Caribbean's best shopping opportunities for local handicrafts and global imports.

For information on shore excursions that may still be available in St. Thomas, please stop by my office on Deck 5. I can also help you plan your day at our remaining ports of call on this voyage. St. Maarten I look forward to helping make your time ashore as memorable as your experience at sea on Regal Princess®.

From the Navigator

After continuing on our southeasterly course throughout the night, Regal Princess transited the Virgin Passage as we made our final approaches towards St. Thomas. After boarding our pilot we altered to a northerly course as made our final approaches towards Charlotte Amalie and once inside the harbor, we maneuvered alongside our berth. On Wednesday evening, with all passengers and crew onboard and all departure checks complete, Regal Princess slipped her moorings, thrust off of the berth and began moving astern. Once clear of the berth, we made our way out of the harbor before disembarking our pilot and began setting a southeasterly course towards the Island chain of the Lesser Antilles.

Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government-issued picture ID with you before leaving the ship as you will be required to show this at security checkpoints upon your return. Do not accept or bring onboard any parcels or packages from strangers. Before boarding, you may also be asked by our Security Staff to open parcels or handbags which you are carrying.

Alcohol Policy

We kindly request that you do not bring alcoholic beverages (other than one bottle of wine and/or champagne) onboard for consumption. All alcoholic beverages that are brought onboard will be collected for safekeeping and delivered to your stateroom on the last day of the voyage.

5:30pm - All Aboard! Regal Princess sets sail shortly after.

Whimsical Quote of the Day
